

STAN SPORT AT YOUR VENUE.

Welcome to an easy-to-access, high-quality streaming service for Commercial Venues supplying live and on-demand sporting content with ease of connection.

The Stan Sports Venue Product is a pure streaming service. This means an appleTV/Chromecast type device or a smart TV with access to the Stan App can stream live or on-demand sport within minutes. Your venues AV Tech should be able to guide you if needed as to your capabilities but for an idea of the recommended setup from Stan's AV consultant, [click here](#) .

Learn more here about setting your venue up : [How do I set up my venue](#)

Once signed up the venue will get a welcome email to the email address you supplied for the account (ie manager@sportshotel.com.au) and that gives you access to set up for your venue. Make sure you supply an email that you and your VMs/Manager can access AND ensure your password is secure but available to key staff for access to account.
